11<sup>th</sup> April 2016

Dear Parents and Carers,

Welcome back! We hope you all had a restful Easter break.

We have lots of exciting things planned for your children this summer; I think our tropical displays may give you a clue!

## **Emergency Contact Information**

We are currently updating our school database and would like to make sure that all of the emergency contact details are correct. We would like to be able to start a texting system very soon; this can be a very effective way of improving communication between school and home.

## **Dinner Money**

Norse have now increased the price of school meals to **£2.20** per day. This price change will unfortunately be in effect from Monday 11<sup>th</sup> April. We apologise for the delay in communicating this information with you. If you have already paid for this week, please send the extra money next week.

## **Parent Pay System**

We are planning to set up an online payment system very soon which will allow you to book and pay for trips as well as ordering and paying for lunches. Further details about this system will be sent home soon.

## **SATs week**

Pupils in Year 6 will be doing their SATs tests between the 9<sup>th</sup> and 12<sup>th</sup> of May. We would like to invite all Year 6 pupils to a FREE breakfast club during that week, starting at 8:15am. This will allow for some time to eat cereal and toast, do revision quizzes and have a fresh air break in order to prepare and settle the children ready for the tests.

## **Lost Property**

We are finding that a lot of PE kit and a number of school sweatshirts and cardigans are being left in school at the end of each week. Please could you help us by making sure that all clothing and shoes are clearly named and that a suitable PE bag is used in school so that children can look after their things.
