Tuesday 1st September 2020

Dear Parents and Carers,

RE: Return to school in September 2020

We are very much looking forward to seeing all the children return to school in September. Our transition sessions will be on **Friday 4th September 2020** and you should have received a message on 15th July 2020 via Class Dojo inviting you to either a morning or afternoon session. Please bring your child to the designated gate (see below) to drop them off for their session. If you have **completed the questionnaire** that was issued in July, please bring that to the transition session too.

School starts back full-time (including Reception children) on **Monday 7th September 2020** and we have followed the latest government advice on making our site as Covid secure as possible. Within this letter is the latest information about how we will be operating from September, this information was sent out in July but has been updated.

Norfolk County Council have put together a website of information that aims to support parents and children, please visit the website as it is a fantastic resource for families:

Grouping children

- Children will be separated into three Class Bubbles e.g. Reception & Yr 1 Bubble, Yr 2, 3 & 4 Bubble and Yr 5 & 6 Bubble.
- Children will be with their class teacher, TA and will have an allocated Midday Supervisor who will be associated with the bubble consistently.
- Bubbles will have timetabled access to a section of the playground and field.
- Children will be able to mix with children in their own bubble.
- In classes, children will be seated facing the front avoiding face-to-face contact (except Reception children who will be accessing the different areas of learning to support their development)
- As far as reasonably possible, children will not be mixing with children from other class bubbles, except for the teaching of phonics. Children will wash their hands before and after attending this session.

Pupil well-being

- Classes will be taking part in additional PHSE work in order to support their return to school.
- Thrive sessions will be available for identified pupils.
- Staff will be on hand to listen to children's worries and concerns.

Arriving and leaving school

- Only one adult is permitted to drop off or pick up their child.
- We will be having staggered start and end times to the school day. School will be open from 8:45am, please be prompt at arrival and drop off to ensure we can limit the number of adults on site.
- Parents of Reception children will be allowed onto the playground.
- Parents will not be able to approach staff.
- All necessary communication will need to be via email or telephone or Class Dojo.
- The school office will not be physically accessible.
- Gates will close at 9:05 am and open at 3:00pm.
- We fully appreciate that this could be an anxious time for your child and you, particularly if your child displays signs of distress. Our staff will be able to very positively and gently support and encourage your child, however they will not be able to take your child from you in order to adhere to social distancing guidelines.
- Staff will ensure children are dismissed to their parent/carer – or in the case of Year Six, we will ask for authorisation to go home on their own.

The Government have acknowledged that it is vital that all children return to school in September 2020 for their educational progress, for their well-being and for their wider development. It will be a **legal** requirement for you to send your child to school unless your child is unable to attend in line with public health advice.

We thank you for your continued support and look forward to seeing you and your children on Friday.
