Executive Head teacher: Ms J. Borley

Year 3 and 4

Homework Challenge Summer 1

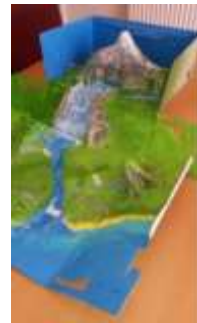

Here is the homework challenge all based around 'From Source to Sea'. We would like all children to select at least one of the challenges to complete, however the children can do as many as they want. This will run alongside regular reading, spellings, times table practise and maths that are set each week.

Visit a river and write a recount about what you did. Perhaps you could play 'pooh sticks' or go kayaking.

Research what lives in English rivers. Create a fact file about the creatures and plants that you find out about.

Build a model of the course of a river.

Design and construct a seawig.
<http://www.jabberworks.co.uk/oliver-and-the-seawigs>

Create a collage of Deepwater Bay.

Design your own campervan to explore the world. Think about what you may need to take with you and how it will cope with different terrains and weather. Remember to label your design.

The challenge work is due in **Wednesday 22nd May 2019** and on **Friday 24th May at 2:15pm** each child will get to present their work and for it to be celebrated. Parents are invited to this session too!

We thank you for your continued support.

Miss Seward
