

Homework

- Each week you will receive your child's homework from Learning with Parents. We are extremely pleased with how this is going – and appreciate your hard work.
- Please remember to have a go at the homework challenges that are ongoing throughout the half term - you will receive this via the Dojo. We do ask that everyone has a go at this homework challenge, so that all the children have something to show at the end of each half term.

Please bring your homework challenge work into school on the morning of **Wednesday 14th February**. All parents and children are invited to the Homework Challenge Drop In after school on the **14th February** at 3.13pm. – so that you can see what your friends have produced!

Reading

- Children are expected to read daily and this needs recording in their reading record book, at least 3 times per week. They have phonics based Read, Write, Inc Books from school each week - which are based on their ability level in phonics.
- PLEASE bring your child's book bag and reading books to school every day – then we can hear your child read when we have time.
- Please make sure that your child brings their library book back to school on a Friday so that they can choose a new book.

PE

- PE will now be on a Friday – your child may come to school in their uniform on that day. Please cover or remove earrings. Long hair should be tied back.
- We will be doing PE outside for as much of the time as possible so please wear dark coloured tracksuit bottom. If they have trainers, please can you teach your child how to tie their own laces.

Class Information

EYFS

Spring Term 2024

We hope you find the following information helpful in supporting your child this half term.

We are always happy to see you to discuss your child. Please contact us via Dojo if you have any questions or concerns about your child.

Many thanks for your continued support.

EYFS: Spring Term 1

English

We will be learning stories using actions in order to be able to retell them. We will create story maps of the events in each story and children will have a go at creating their own story maps and writing. Stories will include 'Quackling' by Pie Corbett.

Maths

We will continue to use the CBeebies programme 'Numberblocks' to teach understanding of the numbers and the number system.

We will be exploring numbers 6-10. Comparing groups up to 10 as well as further exploration of addition and subtraction.

Phonics

We will be following 'Read, Write Inc' as a method of learning our phonic sounds, and how to use them to read and write. Children are grouped by ability and work with other children who are the same level as themselves.

Discover RE

We will be learning about Hinduism.
We will explore how people celebrate the Hindu festival of Holi.
