Class 3

Homework Challenges – Autumn Term 1 2024

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, and maths/English/phonics homework that are set each week.

<p>Art – Design Have a go at drawing a bird inspired by the work of Alice Lee</p> 	<p>Science – States of matter Make a 3d poster or model to show the main stages of the water cycle.</p> 	<p>Geography – Spatial Sense Draw a map of Norfolk and add your own grid lines. Write the coordinates for some places that would be good to visit.</p> 
<p>RE – Buddhism Draw the wheel showing the 8 fold path. Explain what each path represents.</p> 	<p>History Y4 – create an information text or poster showing the differences between Anglo Saxons, Picts, Scots and Vikings. Y5 and 6 – Create an information poster of Baghdad 900BC labelling the key features of the city and the culture.</p>	<p>PE Create your own set of orienteering cards with a symbol on each and instructions for which card to find next.</p> 

We do ask that everyone has a go at this homework challenge, so that all the children have something to share at the end of each half term. Please bring your homework challenge work into school on the morning of **Wednesday 16th October**. All parents and children are invited to the Homework Challenge Drop In after school on the 19th of October at 3.15pm. – so that you can see what your friends have produced!

We thank you for your continued support.
Mr Overton
