Executive Head teacher: Ms J. Borley

Years 2, 3 and 4

Homework Challenge Autumn 2

Here is the homework challenge all based around our current learning within History, Geography, Science and Art. We would like all children to select at least one of the challenges to complete, however the children can do as many as they want. This will run alongside regular reading, spellings, times table practise and maths that are set each week.

 <p>Draw a 3D shape using tone to create form.</p>	 <p>Draw a map of the British Isles and label it with the countries and capital cities.</p>	 <p>Write a fact file about one of the countries within the British Isles.</p>
 <p>Write a postcard about going to the Olympic Games in Ancient Greece.</p>	 <p>Year 2: Create a picture or a model of an Undersea habitat.</p>	 <p>Years 3 and 4: Create a 3D model of the water cycle.</p>

The challenge work is due in **Friday 13th December** and on **Tuesday 17th December at 2:30pm** each child will get to present their work and for it to be celebrated. Parents are invited to this session too!

We thank you for your continued support.

Miss Seward
