

## Homework

Children are expected to read daily, once they have been given a home school reading book. This will need recording in their reading record book at least 3 times per week. These are checked on a Friday.

**Remember the homework challenges that are ongoing throughout the term. These are not compulsory for children in Reception.**

## PE

Please ensure your child has their PE kit in school every Monday. They can bring it home to be washed on a Friday but must make sure they bring it back with them after the weekend. Our PE day this term will usually be on a **Wednesday**.

We are always happy to see you to discuss your child. However, we do ask that unless you have some urgent information for the day, you try to see us after school, when we will have more time to talk to you.

# Class Information EYFS

## Spring Term 1 2020

We hope you find the following information helpful in supporting your child this term. You will find a brief overview of the curriculum content for some subject areas along with a more detailed 'knowledge organiser' for other subjects. This information is designed to give you a flavour of what the children in Reception will be learning this term as well as some more detailed information on the knowledge we expect children to know at the end of this term.

Many thanks for your continued support.  
Miss Calaby

# EYFS: Spring Term 1

## Literacy

In Literacy lessons, the children will be looking at lost and found stories and information texts. We will be continuing to learn the Set 1 phonics sounds of the Read Write Inc programme and some children will move on to the Set 2 sounds.

## Maths

In Maths lessons, the children will be looking at ordering and counting to 10. We will also be beginning to add numbers together and take them away using practical resources.

## Understanding the World

In knowledge lessons, the children will be exploring the topic 'The Queen and her land'. We will be looking at the role of Queen Elizabeth II and famous landmarks around the UK.

## Expressive Arts and Design

In Art lessons, the children will be using different media to design and create flags, London landmarks, crowns, postage stamps and coins.

## Personal, Social and Emotional Development

The children will be setting simple goals this half term in our PSHE lessons. We will be looking at how to achieve our goals and how to overcome challenges.

## Physical Development

The children will continue to learn how to manage their own basic personal hygiene by going to the toilet and getting dressed/undressed independently. They will also be taking part in PE lessons and exploring physical aspects of the outdoor environment.

## Communication and Language Development

The children will continue to develop their confidence during circle times and small group sessions. They will be learning how to listen and follow simple instructions by completing independent tasks.
