

Homework

- Children will receive a piece of maths and English homework on a Friday that we expect to be returned by the following Friday.
- Children will have a set of spellings to learn and these will also be tested on the following Friday.

Children are expected to read daily and this will need recording in their reading record book at least 3 times per week. These are checked on a Friday.

Remember the homework challenges that are ongoing throughout the term.

PE

Please ensure your child has their PE kit in school every Monday. They can bring it home to be washed on a Friday but must make sure they bring it back with them after the weekend. Our PE day this term will usually be on a **Wednesday**.

We are always happy to see you to discuss your child. However, we do ask that unless you have some urgent information for the day, you try to see us after school, when we will have more time to talk to you.

Class Information Year 1

Spring Term 2 2020

We hope you find the following information helpful in supporting your child this term. You will find a brief overview of the curriculum content for some subject areas along with a more detailed 'knowledge organiser' for other subjects. This information is designed to give you a flavour of what the children in year 1 will be learning this term as well as some more detailed information on the knowledge we expect children to know at the end of this term.

Many thanks for your continued support.
Miss Calaby

Year 1: Spring Term 2

English

In English lessons, the children will be continuing to learn how an information text and a cumulative story. We will be looking at the books, '*Dear Daddy*' by Phillipe Dupasquier and '*The Elephant and the Bad Baby*' by Elfrida Vipont.

Maths

In Maths lessons, the children will be continuing to learn to count, read and write numbers to 50. We will also be exploring the length, height and weight of everyday objects.

Science

In Science lessons, children will be looking at how to take care of the Earth. We will be looking ways to protect the Earth's natural resources and issues with logging, pollution and ways to recycle.

History

In History lessons, children will be studying past and present Prime Ministers. We will be looking at when Parliament was first introduced and what impact this had on our country.

Art

In Art lessons, children will be exploring architecture and sculpture. We will be learning how to be architects and designing our own buildings. We will be studying Degas' 'Little Dancer'.

Music

In Music lessons, we will be learning how to find the pulse and rhythm of different songs in our 'Round and Round' topic. We will also be changing the tempo and pitch of the songs using a range of musical instruments.

RE

In RE lessons with Mrs Mead, the children will be studying 'What did Jesus teach us?' and looking at Christianity.

PSHE

In PSHE lessons, the children will be looking at the topic 'Healthy Me'. We will be looking at ways to keep ourselves healthy and safe.
