## Class 3

### Homework Challenge - Spring Term 1 2022

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings, maths and English homework that are set.

<b><u>History - The Gunpowder Plot</u></b>  Write a newspaper report detailing the plot, who was involved and how it was uncovered. Include a picture with a caption.	<b><u>Science - States of Matter</u></b>  Create a 3D model of the particles within the 3 states of matter: Solid, Liquid and Gas. Please remember to label the different parts of it.	<b><u>Geography - Eastern Europe</u></b>  Choose a country in Eastern Europe.  Create a fact file: Include facts such as Capital city, language, population, flag.
<b><u>French</u></b>  Find out about 'La Fete des Rois'  Which date does it celebrate?  What is eaten?  Can you find a recipe for this?  Write it out and draw a picture to accompany it.	<b><u>RE - Buddhism</u></b>  Find out about Buddhists' place of worship.  Draw a picture and write some information about it.	<b><u>PSHE - Dreams and Goals</u></b>  Write an A4 piece about what you hope to achieve by the time you are 30 years old. Think about a job/career, travelling, family, friends etc. How will you achieve it? Why do you want to achieve this?

Where possible, the challenge homework should be submitted onto ClassDojo, under the relevant activity/portfolio folder.

The challenge work is due in on Friday 11<sup>th</sup> February and during that week your child will get to present their work and for it to be celebrated.

We do ask that everyone has a go at this homework, so they all have something to share at the end of each term. We thank you for your continued support.
