Class 2

Homework Challenges – Autumn Term 2 2023

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, and maths/English/phonics homework that are set each week.

<p>DT -Textiles</p> <p>Design and make your own money container.</p> 	<p>Science – Living things and their habitats</p> <p>Create an information leaflet on all you know about living things and their habitats. Include food chains, overfishing and deforestation. Make it as interesting as you can.</p> 	<p>History – Ancient Greece</p> <p>Make a tourist poster for Ancient Greece. Include places to visit, landmarks and interesting facts.</p> 
<p>RE – Christianity - Christmas</p> <p>Design and make your own Christmas wrapping paper, card or decoration.</p> 	<p>Music -</p> <p>Invent and perform your own musical story, using long and short notes, high and low notes.</p> 	<p>Maths – Addition and subtraction</p> <p>Make a poster on all you know about addition and subtraction. Include methods, examples and diagrams.</p> 

We do ask that everyone has a go at this homework challenge, so that all the children have something to share at the end of each term. Please bring your homework challenge work into school on the morning of **Thursday 14th December**. All parents and children are invited to the Homework Challenge Drop In after school on the **14th December at 3.15pm**. – so that you can see what your friends have produced!

We thank you for your continued support.

Mrs Jones
