Executive Headteacher: Ms J. Borley

## Class 2

### Homework Challenges – Spring 2 2024

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, and maths/English/phonics homework that are set each week.

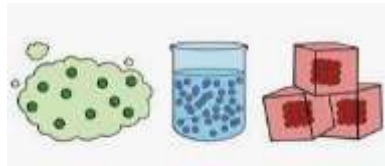

#### **Geography – Western Europe**

Create a fact file with information about all the countries in Western Europe – include interesting facts, population, flags and all the knowledge you have learnt/ researched.

#### **Science – Matter – Solids, Liquids and Gases.**

Create a poster showing your knowledge of matter – solids, liquids and gases.

#### **History – Law and Power**

Create a mind-map with all your knowledge of what Law and Power is.

#### **RE – Christianity (Easter – forgiveness)**

Design and make your own Easter card – it can show a religious side – think about what Easter represents for Christians.

#### **Art – River of Hope**

Design and create your own river of hope circle showing a message about rivers. Use any resources you want to.

#### **English – Recount**

Write your own recount of a family adventure/ holiday/ day out. Include who went, how did you get there, how did you feel, what did you see.

We do ask that everyone has a go at this homework challenge, so that all the children have something to share at the end of each term. Please bring your homework challenge work into school on the morning of **Tuesday 26th<sup>th</sup> March**. All parents and children are invited to the Homework Challenge Drop In after school on the **Tuesday 26th<sup>th</sup> March** – so that you can see what your friends have produced!

We thank you for your continued support. Mrs Jones
