EYFS and Year 1

Homework Challenges – Summer Term 1 2022

This half term, we will continue to set a homework project based on our topics. We would like children to select at least one of the challenges below, however children can do as many as they wish. This will continue to be run alongside the regular reading, spellings and maths that are set each week for children in Year 1.

English- Instruction writing

EYFS and Year 1

Write a recipe to make bread with a set of instructions about how to make it. What equipment do you need? What ingredients do you need?

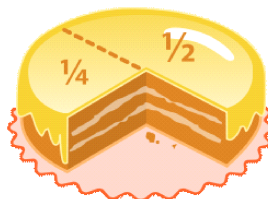

Make and eat the bread!

Maths- Fractions

Year 1

Find fractions of items/objects around your home e.g. cake, pizza, oranges etc. Can you find $\frac{1}{2}$? $\frac{1}{4}$?

Science- Plants

EYFS and Year 1

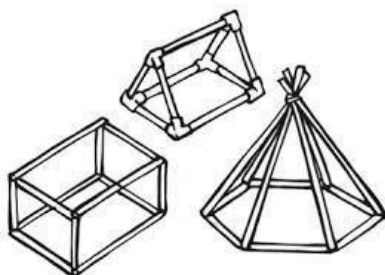

Grow a seed and keep a plant diary. Draw/write about how the plant changes each day. How tall/short is it? How many leaves does it have?

DT- Freestanding Structures

Year 1

Design and create a simple freestanding structure. You could build a house, swing, slide, table or chair!

Geography- The Seven Continents

Year 1

Research one of the seven continents of the world. Create a fact file or information leaflet.

What is the climate? What animals live there? Are there any special landmarks? What is the population?

EYFS- Growing and Changing

Create a timeline of your growth from a baby until now. You could draw pictures or add real photographs. Remember to label the stages of growth e.g. baby, toddler, child.

Please upload a picture of your work onto the Dojo. The challenge work is due in on:

Monday 23rd May 2022

The above menu details a range of work for the subjects that your child will cover this term. Homework Challenges completed need to be uploaded onto the Dojo portfolio or brought into school. We do ask that everyone has a go at this homework. We thank you for your continued support

Miss Sewell
