

Class 3: Summer Term 1

Reading Books

Reading books will be **changed** as needed, they will not be changed until the book has been finished. Daily reading of the book should be completed so please ensure the reading records are filled in.

PE – Friday

Please send your child to school in Full PE Kit on a Friday. Please ensure that **earrings are not worn**, or can be removed **independently** by your child. Long hair should be tied back.

Class Dojo

We will continue to put messages and homework on Class Dojo. Please get in contact if any problems arise.

Homework

Homework will be set on Fridays via Class Dojo, alternating between Maths and English. Once completed, please add it to the necessary portfolio for myself to check. In addition, a challenge homework is set half termly. This is an opportunity to complete a task relating to foundation subjects, e.g. Science/History etc. This homework can be brought into school.

Class Information Class 3 Summer Term 1 2022

We hope you find the following information helpful about your child's class. We have included details on how we will be supporting your child in school.

This half term we will teach the adapted curriculum, as well as continually assessing and filling in any gaps from the previous learning.

You will find a brief overview of the curriculum content for English and Maths. Information about other subjects will be sent separately in a more detailed 'Knowledge Organiser'. This information is designed to give you a flavour of what the children in class 3 will be learning this half term as well as some more detailed information on the knowledge we expect children to know at the end of this half term.

Many thanks for your support.

Miss Jordan

English

In English, this half term Class 3 will be learning to write a non-chronological report having studied the model text '**The Great Plague**'. Class 3 will develop an understanding of the key features needed to write a non-chronological report through the Talk 4 Writing method before writing their own.

The class text we will be reading this half term is '**The Children of Winter**' by Berlie Doherty.

In class, We will be using the Read Write Inc spellings programme to learn about spelling rules. For example adding the prefix -il and words with the 'c' sound spelt 'que' will be introduced. These spellings will be practiced every day in school. Class 3 will be consolidating aspects of grammar **from** Year 4 as well as learning **new content** including main clauses and subordinating clauses, ensuring all Year 5 and 6 objectives are met.

Maths

In Maths this half term, Class 3 will continue their work on decimals focusing on comparing and ordering them. We will then move onto looking at money, converting pounds and pence and using the four operations to solve money problems.

Lessons will include reasoning, problem solving and fluency skills. Maths will be taught through the mastery approach combining Maths No Problem and White Rose Maths. In lessons, children will use a variety of resources to support their learning.

We will continue to work on arithmetic through daily sessions, as well as focusing on times tables.
