Homework Challenge – Summer Term 2 2018-2019

Our homework challenge goes from strength to strength. I have seen some fantastic efforts from children, celebrated at the end of every half term with parents and carers. This type of homework really does motivate children and enhances their learning. I would like children to select at least one of the challenges below, however children can do as many as they wish. This will continue to be run alongside the regular homework that is set.

Our topic this term is '**A Time To Shine**' and the following are all ideas that link to the work we are covering.

Make and label a model to show the life cycle of a flowering plant.

Be artistic – produce a collage on the book we are reading 'Harry Miller's Race'.

Research Music in Britain since 1950, how you present your findings is up to you.

Produce a fact file about your favourite food.

The challenge work is due in on **Monday 15th July 2019** and on **Tuesday 16th July 2019** at **2:15pm** each child will get to present their work and for it to be celebrated. Parents are invited to this session too!

We thank you for your continued support.

Mrs Robinson
