## Year 3 and 4

### Homework Challenge Summer 2

Here is the homework challenge all based around 'What did the Romans do for us?'. We would like all children to select at least one of the challenges to complete, however the children can do as many as they want. This will run alongside regular reading, spellings, times table practise and maths that are set each week.

Find Roman numerals in the world around you. Take photos of them and try to work out what they mean.

Design a Roman feast and label the food that they ate.

Cut up some small square of coloured card or paper and create a Roman mosaic-style picture

Make some equipment for a Roman legionary out of card and other safe recyclable materials. These could include a curved shield, a helmet, a short sword and a javelin.

Design a healthy living food plate.

Design a travel leaflet about Rome. Explain what there is to see and do there.

The challenge work is due in on **Monday 15th July 2019** and on **Tuesday 16th July 2019 at 2:15pm** each child will get to present their work and for it to be celebrated. Parents are invited to this session too!

We thank you for your continued support.

**Miss Seward**
