

Homework

- Children will receive a piece of maths and English homework on a Friday that we expect to be returned by the following Wednesday.
- Children will have a set of spellings to learn and these will also be tested on the following Friday.

Children are expected to read daily and this will need recording in their reading record book. Even if your child is a fluent reader, it is important that you continue to listen to them read and to question them to check their understanding

Remember the homework challenges that are ongoing throughout the term.

PE

Please ensure your child has their PE kit in school every Monday. They can bring it home to be washed on a Friday but must make sure they bring it back with them after the weekend. Our PE day this term will usually be on a **Wednesday**.

We are always happy to see you to discuss your child. However, we do ask that unless you have some urgent information for the day, you try to see us after school, when we will have more time to talk to you.

Class Information Years 3 and 4

Autumn Term 1 2019

We hope you find the following information helpful in supporting your child this term. You will find a brief overview of the curriculum content for some subject areas along with a more detailed 'knowledge organiser' for other subjects. This information is designed to give you a flavour of what the children in years 3 and 4 and will be learning this term as well as some more detailed information on the knowledge we expect children to know at the end of this term.

Many thanks for your continued support.
Miss Saward

Years 3 and 4: Autumn Term 1

English

In English lessons, the children will be learning how to write a warning story and to write persuasively. We will be looking at the stories 'Icarus' which is retold by Susan Gates and 'The Pied Piper' by Michael Morpurgo.

Maths

In Maths lessons, the children will be looking at number and place value and addition and subtraction. We will be learning how to solve problems and reason.

Science

In Science lessons, children will be learning about 'Cycles in Nature' They will learn about the life cycles of plants, amphibians and butterflies and will learn about seasons and migration.

Geography

In Geography lessons, children will be learning about maps, compasses and symbols. They will complete fieldwork on the local area and will look at contrasting localities.

Art

In Art lessons, children will be learning about line drawings. They will explore line drawings and studying how artist use line in different ways. They will be looking at The Great Wave by Hokusai and will use printing to create their own line drawings.

Computing

In Computing lessons, children will be using the Purple Mash programme to learn about online safety and spreadsheets.

RE

In RE lessons with Mrs Mead, the children will be learning about Sikhs: Rites of Passage

PSHE

In PSHE lessons, the children will be looking at the topic 'Being Me'. We will be looking at friendships, feelings, kindness and rights and responsibilities at school.
