

Welcome to
Walpole Cross Keys
Primary School

In Pictures.....

It's lovely to meet you...

I am Ms Borley and I am the Executive Headteacher of the school - which means I am responsible for making sure you are safe and happy in school.

This is how we
come into school.

When you start you
will be in Class 1
"Clever Caterpillars"
and your teacher will
be Miss Calaby.

**This is where you will
line up in the mornings.**

**You need to wait for Miss
Calaby to bring you into class.**

**This is Miss
Calaby.**

You will love your new classroom.

We have so many wonderful things planned for you to do...

The outdoor garden will be so much fun!

You will really have fun with Mrs Hendry and Mrs Gower.

Hot lunches are eaten in the hall. Packed lunches are eaten in Class 1.

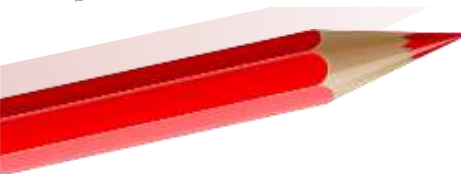

You can choose which dinner you want from the menu or bring in your own.

You will be able to play in all of these places....

If you need help from
the office.

Mrs Goodwin is happy
to help you and your
parent/carers.

It's the end of the slideshow – but please watch it again. Have a good look at the pictures and get used to all the places that you will see everyday.

We are all looking forward to getting to know you soon.
