'Sing a Little Joy'

The music team based at Springwood High School are putting together this exciting project. The whole point is, as the title suggests, to bring a little joy to lots of

people through music so they have **written a song** especially for children in West Norfolk to record for Christmas. They would like to release the finished song on iTunes, Spotify, Apple etc as a fundraiser for NHS charities as well as an inspirational and uplifting piece

of music. There will also be a video for the song which will appear on social media.

We are inviting our **Year 4, 5 and 6 pupils** to take part in this amazing opportunity, consent requests will be sent to all parents/carers today and recording will be completed during school hours early next week.

Once we have any links to the finished song/video we will share this with you all.

This year, if your child would like to bring Christmas cards to school for their friends please ensure they are in school by **Friday 11th December**. All cards will be placed in our postbox until they can be

handed out during our final week (w/c 14th December).

Today is our final football session. Due to the early dark evenings over the next couple of months, this club will not recommence until February.
