

Homework

You will receive a piece of maths/English homework on Learning with Parents on a **Friday**. **ALL CHILDREN** are expected to have a go at one activity, every week. Thank you all for your effort so far this year.

Reading

- All children are expected to read frequently at home – as part of their homework - and this needs recording in their reading record book at least 3 times per week. We can't stress how important reading is in your child's reading, writing and spelling development.
- Please encourage your child to practice the sounds on the sounds cards that were sent home and use those sounds to build words. Ask your child to Fred Talk out words, telling them how many sounds they will need e.g., 3 sounds for the word dog. Can they hear the sounds and make the word? Sometimes swap roles and you make a word and ask your child to Fred talk it and read the word to you.
- PLEASE send your child's book bag and reading books to school **EVERY** day. We will then ensure that we hear your child read and change their books as often as possible.

Homework Challenges

- Please remember to have a go at one of the homework challenges that are ongoing throughout the half term - you will receive this via the Dojo. We do ask that everyone has a go at this homework challenge, so that all the children have something to show at the end of each half term.
- Please bring your homework challenge work into school on the morning of **Wednesday 21st May**. All parents and children are invited to the Homework Challenge Drop In after school on the **Wednesday 21st May** at 3.15pm. – so that you can see what the other members of their class have produced!

PE

PE will be with Aaron on a **Thursday**. Please come to school in your PE kits. Long hair must be tied up and earrings removed or covered. Thank you.

Clothing

Although is getting warmer, please ensure that your child has a named waterproof coat in school every day.

Trips/Enrichment

We are going to Stories of Lynn Museum and the Lynn Museum on Thursday 1st May. We also have a visit to Sandringham on Friday 9th May to learn about King's and queens. We will also be looking after chicks and butterflies for this half term and learning about their life cycles.

We are always happy to see you to discuss your child. If you have some urgent information for the day, please see us before/after school or send us a message via Dojo.

Class Information EYFS

Summer Term 1, 2025

We hope you find the following information helpful in supporting your child this term. You will find a brief overview of the curriculum content for some subject areas along with a more detailed 'knowledge organiser' for other subjects.

This information is designed to give you a flavour of what the children in year 1 will be learning this term as well as some more detailed information on the knowledge we expect children to know at the end of this term.

Many thanks for your continued support.
Miss Calaby and Mrs Preston

EYFS: Summer Term 1

English

We will be learning the story of 'The Enormous Turnip'. We will also be having a go at writing labels, letters and instructions.

Maths

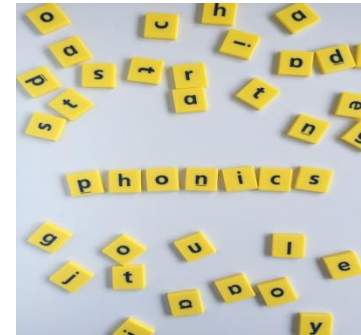

We will continue to use the CBeebies programme 'Numberblocks' to teach understanding of the numbers and the number system.

We will be exploring shapes and patterns. We will be building numbers up to 20 and thinking about 'ten and how many more'. We will then be completing counting patterns up to 20. Finally, we will do some addition by counting on.

Phonics

We will be following 'Read, Write Inc' as a method of learning our phonic sounds, and how to use them to read and write. Children are grouped by ability and work with other children who are the same level as themselves.

RE

What can we learn from stories? What is a parable?

We will be learning about different religions (Christianity/ Islam Hinduism/ Sikhism) and beliefs through stories from around the world this half term.
