Class 3

Homework Challenges – Spring 2 Term 2025

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, common exception words and maths/English homework that are set each week.

Art –Impressionism

Create your own impressionist painting based on the work of Claude Monet.

Science –Sound

Make your own string telephone. On a poster, include a picture of your telephone and a diagram that explains how it works.

Geography – Northern Ireland

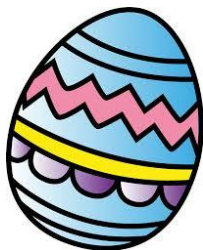

Draw a map of Northern Ireland in the centre of your page.

Around the outside, annotate the map, showing places to visit and persuading someone to visit.

RE – Easter

Design your own Easter Egg – on the outside, include pictures of people and things that have an influence on you.

History – WW2 and the Holocaust or The rise and Fall of the Roman Empire.

Research one area of your year group's topic and produce a 1 page information poster showing facts and diagrams about the area that interested you.

Computing – Online Safety

Design a poster (by hand or using a computer) to help remind primary school children how to stay safe on line.

The challenge work is due in on **Wednesday 2nd April** and during the week each child will get to present their work and for it to be celebrated. The above menu details a range of work for the subjects that your child will cover this term. We do ask that everyone has a go at this homework, so that all the children have something to share at the end of each term. We thank you for your continued support. Mr Overton
