Class 2

Homework Challenges – Summer 1 Term 2025

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, common exception words and maths/English homework that are set each week.

Art – Still Life

Create your own still life drawing using cross hatching, tone and shades.

Science – Light and Optics

Make a poster showing all the information you know about light and optics.

History – Romans

Draw a Roman soldier and annotate the armour worn and explain why each piece was important to them.

English - Information texts

Research and create your very own information text based on your favourite animal or something else you are very interested in.

Maths – Money

Make a shop, give each item a price and write money word problems based on the items in your shop.

RE – Humanism

Create a leaflet on Humanism comparing it to other religions and beliefs.

The challenge work is due in on **21st May** and during the week each child will get to present their work and for it to be celebrated. The above menu details a range of work for the subjects that your child will cover this term. We do ask that everyone has a go at this homework, so that all the children have something to share at the end of each term.

We thank you for your continued support. Mrs Jones
