Class 2

Homework Challenges – Summer 2 Term 2025

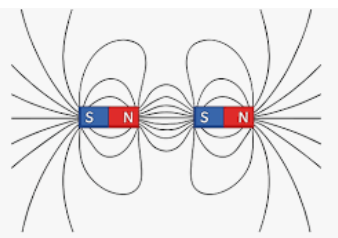

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, common exception words and maths/English homework that are set each week.

DT – Egyptian Shaduf

Create your own shaduf at home using materials found around the house. Think about levers, pivots, and counterbalance.

Science – Magnetism

Make a poster showing all the information you know about magnetism.

History – Powerful Voices

Write a speech about something that is important to you, something you would like to change. Imagine being one of the powerful voices. What would you like to change?

PE – Athletics

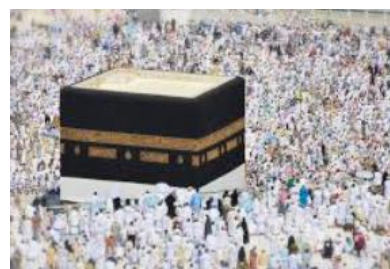

Create a poster on all you know about Athletics.

Geography - Japan

Create a holiday brochure for Japan – detailing where a tourist needs to visit, what the weather is like and the cultures

RE -Islam Hajj

Where would you pilgrim to and why?
Show this in an interesting way.

The challenge work is due in on **16th July** and during the week each child will get to present their work and for it to be celebrated. The above menu details a range of work for the subjects that your child will cover this term. We do ask that everyone has a go at this homework, so that all the children have something to share at the end of each term.

We thank you for your continued support. Mrs Jones
