## Class 3

### Homework Challenges – Autumn 1 Term 2025

We would like children to select at least one of the homework challenges below for this term, however children can do as many as they wish. This will continue to be run alongside the regular reading, common exception words and maths/English homework that are set each week.

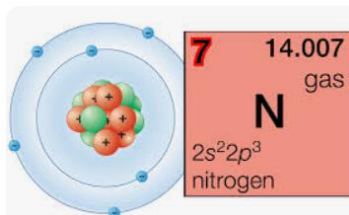

#### **Art – Light**

Create some realistic 3d sketches using light and dark shading to create the 3d effect.

#### **Science – Chemistry**

Can you produce any drawings and explanations to explain what elements, mixtures and compounds are?

#### **History – Y4 Anglo Saxons Y56 The British Empire**

Create a fact file (a bit like a knowledge organiser) for your history topic. Include facts, dates and key people and events.

#### **PE – Orienteering**

Go on a walk with your family. Can you find a map of the area you've walked and plot your route?

#### **Geography – Spatial sense**

Create your own map of the world. You are free to do this however you like – you can label the countries or continents, show the land height and make it 3d- it's up to you!

#### **RE – Islam and Muhammad** Create an information leaflet about Islam.

Who are the key people in this religion?

What are the main beliefs?

#### **The Five Pillars of Islam**

These are the five most important duties for Muslims.

The challenge homework is due in **Thursday 23<sup>rd</sup> October**. Please bring any completed challenges to school this half term as we would love to display them in the corridor. All parents and children are invited to the Homework Challenge Drop In after school on the **Thursday 23<sup>rd</sup> October** at 3.15pm. – so that you can see what your friends have produced!  
We thank you for your continued support. Mr Overton
