

Reading Books

Reading books will be changed once per week. Your child does need to bring their reading book into school every day so that we can hear them read when we have time. ***Please note that your child will only receive a reading book once they are confidently able to blend sounds for reading*.**

Homework

Please continue to support your child in completing one activity off Learning With Parents each week. If you have any issues, concerns or questions, please send us a message via Dojo.

Homework Challenge

There is a homework challenge for your child to complete each half term (Please see the homework challenge letter for more information). Your child will be able to choose which challenge they wish to do and bring it into school on the morning of **Wednesday 17th**

December. All parents and children are to the Homework Challenge Drop In after school at 3.15pm. – so that you can see what the children have produced.

Library Books

Library books will be changed on Friday each week. Well done to the children who remember to ring their books back every week.

PE – Tuesday

All our children will be going to Lynnsport for Gymnastics on a **Tuesday**. We also have PE this half term on a **Wednesday**. Please ensure that your child comes to school wearing their full PE kit, hair tied back, and earrings removed/taped over (they need to be able to do this independently) on both days.

Food and Drink

Please ensure your child brings a water bottle to school, so they can stay hydrated throughout the day. Please also remember to provide your child with a healthy snack to eat at morning break time.

Water bottles

Please make sure that your child has a named, water bottle - filled with clean water - in school, every day.

Names

Please make sure that all your child's school clothes (including coats, gloves and trainers are named please). Names written in pen wash off labels quickly after a few washes, so do keep a check on them!

Class Information - EYFS

Autumn Term 2 2025

We hope you find the following information helpful. We have included details on how we will be supporting your child over the coming weeks.

This term we will be covering all 7 areas of learning and development in the EYFS curriculum, as well as continually assessing children each half term.

You will find a brief overview of the curriculum content for English and Maths as well as support for your child's well-being. Information about other subjects will be sent separately in a more detailed 'Knowledge Organiser'. This information is designed to give you a flavour of what the children in Reception will be learning this term as well as some more detailed information on the knowledge we expect children to know at the end of this term.

Many thanks for your continued support.
Mrs Roesner and Mrs Preston

EYFS: Autumn Term 1

English

Children in Reception will continue to have daily phonics lessons every morning to build confidence in learning sounds for reading and writing. Children may also have 1-1 catch up sessions to support them in filling gaps in their phonics knowledge. Children will receive a word or reading book when they are ready.

We will be continuing to learn how to retell stories such as cumulative stories (stories with repetition e.g. The Three Little Pigs). We will be using props and actions to retell the story as well as learning how to write simple words, labels and captions. We will be focusing on children's letter formation this half term.

Maths

In Maths lessons, the children will be looking at sorting and comparing numbers as well as learning ways to find one more or one less than a number.

Children will be assessed regularly and activities will be planned each week to support their learning. They will be using practical objects such as cubes, compare bears, counters and Numicon.
