King's Lynn Elite Football Player Evaluations

**King's Lynn Community Football FA and McDonalds
Grassroots Club of the Year Winners 2021**

King's Lynn Elite (KLE) Football part of King's Lynn Community Football are an established Elite Football Programme for 20 years in west Norfolk with a track record for developing players to play professionally, semi-professionally and recreationally as well as helping coaches to progress within football or making a career out of sports coaching.

KLE key benefits:

- **Great Coaches** – all JPL Elite Coaches are at least UEFA B licensed coaches. We have FA qualified tutors and an Elite Coach mentor who is a UEFA A licensed coach and oversees professional academies in the East/South East for the Football League.
- **Great Facilities** – all sessions take place on the 3G at Lynnsport with the wider Lynnsport facilities such as gym, classrooms and grass pitches available. All games are filmed for performance analysis with Veo cameras with players able to make their own playing profiles which can be shared with other clubs and universities.
- **Great Destination Partnerships** – KLE are an official partner club to Peterborough United and also work closely with professional football academies clubs such as Norwich City FC and Cambridge United FC. Outside of the professional game KLE have many players go on to represent local clubs such as King's Lynn Town FC, Dereham Town FC, Wisbech Town FC, Fakenham Town FC, Swaffham Town FC and Downham Market FC as well as grassroots clubs to provide quality destinations into either football playing or coaching.
- **Great Education Partners** – we work with The College of West Anglia for players who want to combine their football with studying between 16 and 19 and then with UK universities such as UEA and Anglia Ruskin University for players to progress to higher

education in the UK or with American Colleges and Universities for soccer scholarships.

- **Great Case Studies** - many player and coach success stories after graduating our programme.
