Young Leaders Day—15th April 2021

Yesterday all pupils in Years 4, 5 & 6 took part in a Playmaker Leadership Award with Tracy Bower (School Sports Co-ordinator). They spent the day looking at leadership **skills** such as communicating effectively, organising people & things and working as part of a team. The course was very practical and they tried numerous games & activities that can be set up during break times with younger students. By the end of the day, they were all observed leading an activity as part of the final **assessment**. Each student now has their own leadership **journal** to record any leadership activities they complete. As leadership activities are completed, in and out of school, they can work towards a bronze, silver & gold awards. They will receive a certificate very soon confirming their success as a **Playmaker Leader**.
