21st September 2022

Dear Parents/Carers,

As part of the West Norfolk Academies Trust initiative to have more music within all Primary Schools, and in partnership with the Norfolk Music Hub, we are pleased to announce the continuation of our primary school music ensemble.

This will run as a Starter Band on Thursday evenings from 4:00pm-5:00pm, taking place in the music department at St Clements High School. The first rehearsal of these is planned for Thursday 29th September 2022 and will run for ten **Thursdays** each term throughout the academic year.

A minibus will collect the students from our school and transport the pupils to St Clements High School. Students that participate will therefore need to be collected from St Clements High School at 5:00pm on Thursdays after their band practise. There is no cost to parents for this opportunity.

This is open for all pupils who have been learning a woodwind, brass or string instrument whether within our schools or privately, and regardless of whether they have just started as a beginner, or are experienced players.

This is an incredible opportunity for all young people to enable them to begin a journey they can continue throughout their primary and high school experience. It will also introduce them to the possibility of playing in a large band.

To register please complete the slip below to let us know if your child is interested in this exciting opportunity.

Please return the slips by **Monday 26th September** at the latest.
