Dear Parents/Carers,

Your child has expressed an interest in becoming an Anti-Bullying Ambassador for the school and we are delighted to inform you that they have been successfully chosen for this prestigious role at our school.

To prepare children to take on this role in school, we have organized for them to attend some training along with a member of staff. The training will be led by a team who work for The Diana Award Anti-Bully Campaign. The Diana Award is the only charity set up in memory of Diana, Princess of Wales and her belief that young people have the power to change the world. The mission of the campaign is to foster, develop and inspire positive change in the lives of young people.

During the day there is a strong focus on giving children the skills and confidence to become Ambassadors to tackle bullying should it happen at our school. The day will start with the children learning what it means to be an Anti-Bullying Ambassador and following on from this, some work on exploring what bullying is and how they can support their peers. Depending on the discussions the children have, there may be reference to the fact that some children have taken their lives due to bullying. If this does come up in discussion, this will be handled in a very sensitive and age appropriate way.

This training event will take place at **Springwood High School on Thursday 1st December 2022**. Your child will need to be in school **by 8:15am** and they will return to school around **4pm**. Please send your child to school in full school uniform and with a packed lunch and drink for the day. You can book a school packed lunch if you wish.

If you would like your child to take part in this exciting event, please complete the reply slip below and return to school by Monday 28th November 2022.

We hope your child enjoys the day.
