

Walpole Cross Keys Primary School

Weekly Newsletter - 28th April 2023

On Monday our **year 6** pupils went to the King's Lynn Fire Station to take part in a **Crucial Crew** event. This event recreates situations of crime and danger. The children experienced and participated in a range of realistic situations which are potentially life-threatening in order to raise their awareness of what they can do to increase their own and others safety.

On Wednesday afternoon our **year 1** pupils went to West Lynn Primary School to take part an interactive, multi sensory workshop for **Shabbat**. Shabbat is a festive day when Jews exercise their freedom from the regular labours of everyday life.

We are pleased to be able to confirm that we will not be affected by the upcoming teacher strike on **Tuesday 2nd May 2023**. School will remain open to all classes as usual.

UNIFORM POLICY Could we kindly remind all parents/carers our PE kit consists of a pale blue polo shirt with black or blue shorts. Tracksuits must also be plain black or blue. No patterned/sparkly items should be worn to school. Text reminders will be sent to those not adhering to our uniform policy. Thank you for your support.

As always, we would like to ensure that your **experience** at Walpole Cross Keys Primary is a **positive** one. If you have any concerns, in the first instance, please telephone (01553 828680), email the school office or speak with the class teacher.

Best Wishes

What Parents & Carers Need to Know about

WIZZ

AGE RESTRICTION
12+

12+ App Store
Teen Google Playstore

WHAT ARE THE RISKS?

OVER-SHARING

Immediately after setting up an account, users start receiving friend requests (mainly from the opposite gender). For many young people, this will be exciting and a boost to their confidence. As young people tend to be more trusting online and may believe what others tell them, however, this can lull them into dropping their guard and revealing personal information to strangers.

CATFISHING AND PREDATORS

Wizz uses Yoti, a digital ID system, to verify users' age. The AI only detects approximate age, though – so an older person who looks younger could be grouped with teens (or vice versa). Also, profile pics on Wizz don't have to match the face of the person who did the initial age verification: it would be fairly easy to create a fake account using another person's photos with a made-up name and age.

EXPLICIT CONTENT

During our research, conversations on Wizz very quickly turned sexual. Users frequently suggested 'taking it to Snap' (Snapchat's disappearing image feature can make it conducive to sharing explicit selfies), connecting on other social media, swapping nude or semi-nude pictures, or holding sexual chats. These users created an impression of the platform being sleazy and unsafe for young people.

Wizz is a networking app which allows users to connect and chat with other people around the world. Its principle is similar to a dating platform: users have a profile with up to three photos, along with optional interests and hobbies tags. This allows other like-minded people to be recommended in searches. If a user likes what they see on someone's profile, they can initiate conversation through the instant message feature; otherwise they swipe on. The app does use age verification technology when an account is created and groups users by age.

INTIMATE IMAGES

It's not unheard of for young people to be coaxed into sending suggestive images of themselves over apps of this kind. Given that Wizz connects users with strangers, who may not be honest about their real intentions, a teenager might conceivably be persuaded to share sexually suggestive selfies by someone who they believed they had a trusting relationship with.

NO PARENTAL CONTROLS

The app claims to provide a secure and inclusive environment, but our researcher couldn't find any parental controls or safety features in evidence. If you report another user for inappropriate behaviour, you are offered the option to block them – but there's no indication as to whether the block has actually been successful, and there was no follow-up contact from the developers.

SECRETS AND SUBSCRIPTIONS

Wizz sent our researcher occasional 'mystery' friend requests from a blurred-out profile. To discover the sender's identity, users can either watch a video (usually an ad for a game or app) or take out a monthly subscription. Critics might suggest this could be a way to exploit young people's curiosity into making them pay for the app, and that the 'secret admirers' are bots rather than real people.

Advice for Parents & Carers

TALK IT OUT

If your child has downloaded Wizz, talk to them about why they like it and who've chatted with. Have they shared any personal details with this person or connected with them on other social media platforms? Refresh your child's memory of the various risks that can arise from engaging with strangers online and get them to consider using a similar app with more robust safety features.

BE SUPPORTIVE

When connecting with strangers on apps like Wizz, seemingly innocent chats can quickly progress to become sexually explicit and lead to nudes being sent. Make sure your child knows to come to you if they're uncomfortable about anything they've been sent or been asked to send. If they've already shared something that they now regret, reassure them that you'll support them no matter what.

EMPHASISE CAUTION

Young people are far more inclined to see the good in others; they often overlook the fact that scammers set up fake accounts on apps like this with the intention of getting money or personal data. Remind them that not everyone online is who they claim to be, how easy it is for someone to create a bogus profile, and why it's vital to think twice about sharing anything on networking apps.

KEEP THINGS TRANSPARENT

It might feel awkward, but regular chats about your child's online life can be beneficial. If they seem suddenly anxious or secretive around their phone or tablet, they may have something they need to get off their chest. You could also consider not allowing digital devices in their bedroom, especially overnight – that's when a lot of the riskier conversations on apps like Wizz tend to take place.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

WEST NORFOLK ACADEMIES TRUST
COMMUNITY MUSIC WEEK
MONDAY 3 – THURSDAY 6 JULY 2023

Following the success of our inaugural 'Community Music Week' in 2022 the West Norfolk Academies Trust are pleased to launch our event for 2023 which will take place at Springwood High School from Monday 3rd to Thursday 6th July.

The aim of the WNAT Community Music Week is to bring educational music ensembles and community music groups from across West Norfolk in one celebration of community music, utilising a professional level stage and sound system. In 2022 the first music week featured over 500 performers and attracted total audience numbers of over 2000 across the four nights. This year the week will include four different themed evenings (Jazz, Choral, Rock & Pop and Orchestral/Band) as well as the Norfolk premiere of a new Youth Opera, "Birdland", commissioned by Norfolk Music Hub and written by the famed choral composer, Bob Chilcott.

A musical celebration by the community, for the community, and best of all the whole week will be completely free to attend!

WE NEED YOUR HELP!

VOTE FOR US IN THE TICKETSOURCE COMMUNITY EVENT FUND COMPETITION

Putting on a four-day musical celebration is no small task. The logistics alone require a huge amount of planning, and funds. We have an incredible opportunity to win £1000 towards the costs of the week as we have been shortlisted in the Ticketsource Community Event Fund Competition. This gives £1000 towards the costs of a community musical event to eventual winner and you can help us with the simple online vote.

By visiting our unique competition page <http://wshe.es/SkEbkZwK> you can cast your vote for us before the closing date of Friday 28th April. After the closing date the top 10 events will go to a judging panel, from which one will be awarded the top prize of £1000.

DO YOU KNOW A COMMUNITY GROUP WHO WOULD LIKE TO PERFORM

We are looking for Musical Groups from the West Norfolk area who would like to take part in the event. Whether a Concert band, Brass band, Orchestra, Choir or Rock/Pop Band if you, or anyone you know, is associated with a group and would like to be involved please contact Robin Norman, the Director of Music for the Trust via email (music@westnorfolkacademiestrust.co.uk) with as much detail on your group as possible. We will then consider all these and invite some to be part of the music week this year. We look forward to hearing from you.

MORE DETAILS ON THE COMMUNITY MUSIC WEEK WILL FOLLOW SOON!
