Mental Health and Wellbeing at Walpole Cross Keys Primary School

In our school, we have two members of staff who are trained Mental Health Champions. The Mental Health Champions can give support, guidance, and signpost help and make referrals to support services, if needed. If you have any concerns for your child's mental health, please either speak to the Mental Health Champions directly or talk to a member of the staff who can then pass this on. Please also look at the Mental Health tab on our school website for information, links to support services, wellbeing activities. You will find this on www.walpolecrosskeysprimary.co.uk under the 'About Us' tab.
