Apprentice Day – Friday 4th July 2025

Dear Parent/Carer,

We are holding an 'Apprentice Day' on Friday 4th July. This will be an exciting day that we hope will become an annual event in our school calendar. During Apprentice Day, pupils will spend time learning about a particular career; taking on different roles and responsibilities related to that job and becoming a professional for the day! Children need to apply for the apprenticeship they wish to enrol on, they might want to learn how to be a chef, first aider, carpenter, or have a job as a journalist. On the application form, children need to think carefully about what to write in order to secure their place on the apprentice course for their first choice; they will also need to record their second and third choices. Every child will be given a place on an apprenticeship course and we will do our very best to give pupils one of their top three choices. Children are welcome to come to school dressed for their profession that day.

On Friday 4th July, at 2:30pm, we invite parents and carers to join us! For the final part of the day, the children will show you what they have been learning! In order to grow and improve this event we are hoping to raise money each year, consequently the children will have learnt about business planning and may wish to ask for a donation for their final product that they may offer or create,

We are really looking forward to this day and hope to make it an annual event!

Yours sincerely,

Mrs Maddison
Executive Deputyhead
