

Walpole Cross Keys Primary School

Weekly Newsletter – 24th October 2025

Hello everyone,

On Monday our Year 4 pupils visited the West Stow Anglo Saxon Village. They had a great day walking through a village as it would have looked in AD420 handling artefacts & exhibit replicas and taking part in a craft demonstration.

On Tuesday Class 2 visited Holkham Hall looking at the art covering symmetry, together with a Safari tour.

On Wednesday some children attended the Cross Country at St Clements High School. A huge well done to everyone.

Clubs—To sign up for Autumn Term 2 Football Club with ICS. Please use this link. <https://icscoaching.pembee.app/activity/68efd595ba552fba561721c3>. Other clubs are available to book via your MCAS account.

Please ensure that school lunches are booked (if applicable) via your MCAS account by no later than midnight on a Saturday! A new menu will be available to use from 3rd November 2025. See attached. Starting Reception

Your child's journey to school starts at home

We understand that all children develop at their own pace, and that we're all learning from birth. When it's time to start school, some children will need more help than others.

There's lots you can do at home to build your child's confidence and independence, helping them feel emotionally and practically prepared to start school.

For more information on how to help your child get ready for reception, and for information on supporting children with additional needs, scan the QR code or visit <https://startingreception.co.uk>.

What Parents & Educators Need to Know about FORTNITE

WHAT ARE THE RISKS?

With over 650 million registered users, Fortnite remains one of the most played and discussed online games globally. Known for its vibrant graphics, fast-paced gameplay, and cultural crossovers with everything from music artists to superhero franchises, the game continues to capture the attention of young people. This guide outlines the risks trusted adults need to know about, including game updates, and offers practical safety tips to help address them.

ALWAYS ONLINE

There's no single-player, offline mode in Fortnite; it can only be played online. Internet access can sometimes be an issue when you're out and about, both in terms of connectivity and using up data. You may find that dedicated, young Fortnite players are often less enthusiastic about family time or trips away – such as days out and holidays – than you might expect.

IN-GAME COSTS

Fortnite is free to download and play, but it does offer various additional purchases – limited-time cosmetic 'skins', music tracks, LEGO Items, and battle passes. Children can feel pressured to spend money on V-Bucks – the in-game currency – to avoid missing out, particularly as exclusive items rotate frequently. Some items may not return to the store for years, while Battle Pass rewards are often "gone when they're gone".

VIRTUAL VIOLENCE

There's no avoiding that Fortnite is about shooting other players to eliminate them from the contest. That said, there's no blood or gore. The violence is rendered in a cartoonish style, and there are frequent comical touches to lighten the mood, such as mini-games and emotes. Guns and other weapons often look and behave realistically, so discretion is advised. Past seasons have introduced characters and references from mature franchises like *The Witcher* and *Halo*.

CROSSPLAY AND PARTY CHAT

Fortnite is popular with many gamers of various ages. Crossplay allows friends to play with each other, regardless of whether they're on an Xbox, PlayStation, Nintendo Switch or PC, while the Party Chat feature allows them to talk to each other during the game. This can put youngsters at risk of exposure to strangers, inappropriate language, and cyberbullying.

FREQUENT UPDATES

Seasonal releases introduce new map changes, gameplay mechanics, and cosmetics. Ongoing updates can increase screen time and potential for obsession as children try to unlock rewards before the season ends. These regular renewals help to hold players' interest, but also give young gamers plenty of reasons to keep coming back. Seasons often change thematically.

POP CULTURE REFERENCES

Part of Fortnite's appeal is its ongoing crossovers with other popular franchises, ranging from films and TV shows like *Power Rangers* and *Avatar: The Last Airbender*, to comic book characters including *Batman*. Other collaborations with series, artists, and influencers may expose children to music, language, or ideas that are more suitable for older audiences.

Advice for Parents & Educators

DISCUSS SAFE SOCIAL INTERACTION

Talk with children about who they're playing with online. Coordinate play time with the child's friends for socialisation and safety in numbers. Encourage them to avoid private voice chats with strangers and remind them not to share personal information. Use real-life examples to explain potential risks, and remind them that if they see something concerning, they should tell a trusted adult.

ENJOY FORTNITE TOGETHER

Fortnite also offers split-screen gameplay, meaning that two people can play simultaneously on the same console or computer. This can be a good option for siblings or for when a child's friends visit, but it also offers an opportunity for parents to do something fun with their child, while making sure they're playing the game safely. Who knows? You might even teach them a thing or two!

SET SPENDING LIMITS

Fortnite's rotating store is a not-so-subtle mechanism for coaxing players into buying sought-after items before they disappear for weeks or months. This could lead to surprise transactions on bank cards if children are tempted into an impulse purchase. Parents could consider getting a prepaid card for the child or ensuring that purchases require adult authorisation. This can be done through parental settings on a console or account settings in the Epic Games app on PC.

BE WARY OF SCAMS

The immense popularity of Fortnite with younger audiences – that are generally more trusting – means there's no shortage of scammers looking to fraudulently obtain passwords and other personal data through techniques like phishing. As the developers point out on many of Fortnite's loading screens, they never ask for a player's account password outside of the game. Make sure any young player knows this.

flu: 5 reasons to vaccinate your child

1. Protect your child

The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends

Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed

The nasal spray is painless and easy to have

4. It's better than having flu

The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

5. Avoid costs

If your child gets flu, you may have to take time off work or arrange alternative childcare

Most children have the nasal spray vaccine which is the preferred vaccine. A vaccine injection is also available which does not contain gelatine from pigs (porcine gelatine).

SAFEGUARDING

Safeguarding children is the action we take to promote the welfare of children and protect them from harm. Safeguarding is everyone's responsibility. Every single person who comes into contact with children and families has a role to play. At our school we have a designated safeguarding team who are trained professionals in safeguarding, however all our staff are trained in safeguarding if you want to discuss any concerns with them.

The Safeguarding team.

If you have any concerns about a child's welfare or safety, please speak to a member of the schools safeguarding team.
